

# Year at a Glance 2021 ANNUAL REPORT

#### **Mission Statement**

Eastern Shore Rural Health System, Inc. is a Community Health Center Network committed to a healthy Eastern Shore. We provide medical, oral, and behavioral health care and support services to everyone in our community regardless of ability to pay. As primary health care providers, we serve our patients and work with others to manage patients' health needs in a safe, professional way that also respects the culture of every individual.

#### **Vision Statement**

Eastern Shore Rural Health shall be the provider of choice for primary and preventive services offering comprehensive care of exceptional quality for all people on the Eastern Shore.

#### Value Statement

Our work is characterized by quality, integrity, teamwork and communication.

Our relationships with patients demonstrate respect, compassion and confidentiality.

We strive for the empowerment of patients and colleagues as our partners in improving the quality of our community, our health and our lives.

#### **ESRHS** Board President and CEO Letter

While the pandemic certainly continued to challenge ESRHS staff during 2021, we are grateful to our team for their perseverance and dedication to serving you, our Eastern Shore Community! Brighter days are ahead!

Our community health needs assessment conducted in 2021 pointed out specific opportunities for Rural Health and how we could better serve you. Our Board has responded to the most significant opportunities with the approval of two new projects — an urgent care facility at Four Corner Plaza in Onley and an ESRHS owned and operated pharmacy in our Onley Community Health Center. Both facilities are in the planning stages and we look forward to updating you on our progress as we proceed. We will continue to grow our Behavioral Health program that began in January 2020 and add other services that are essential given the community needs.

Two other notable accomplishments in 2021 are the approval of a third school dental site at Nandua Middle School in partnership with Accomack County Public Schools; this site will open in the Spring of 2022. Equally important is the signing of an agreement with Northampton County Public Schools to create a school dental program that will also begin in 2022.

One of last year's most important achievements was being named among the top 10% nationwide for clinical performance by the federal Health Resources & Services Administration. Congratulations! This national recognition of the quality of care provided by our team is a testament to our devotion to our community. Finally, and this is hot off the press, it has just been announced that the National Association of Community Health Centers has selected us to receive a 2022 Outstanding Migrant Health Center Award!

We've adopted a new logo to depict the region we love and serve, where the land meets the sea. This fresh new look heralds the start of fresh new things.

Thank you for your integral support as we continue to strive for the empowerment of patients and colleagues as our partners in improving the quality of our community, our health and our lives.

J-ffry B. Illia Cleffrey Holland - Board President

Matt Clay - Chief Executive Officer

# By The Numbers

**Our Patients** 

30,663

Patients seen

1,361

Migrant and Seasonal farm workers seen

**Our Services** 

\$1,609,579

"Slide" services provided to uninsured patients - ESRHS gets federal dollars to care for the uninsured based on income and family size as a Federally Qualified Health Center

**\$76,776** =

5,484

Tickets for the CBBT distributed through medical pass program to qualifying individuals

## **Health Care Measures**

#### Measures and results last fiscal year.

We track key health measures each year and strive to address any obstacles patients face in managing their conditions. Measures and results are below. The numbers show, of patients in each category, what percentage received the health care service or fall within a healthy range for that condition. The Health Resources & Services Administration named ESRHS a high quality performer in every category. These results have been impacted by the COVID pandemic.

Measure											Result	Goal
Assessments	•	٠	٠			٠	٠	2				
Child weight	T		T.	T	T	T	T	$\P$			75%	78%
